<https://doi.org/10.1186/s13071-023-05655-x>

Following publication of the original article [1], the authors flagged that the name of the fourth author, Huarrisson Azevedo Santos, had been incorrectly spelled with 'Huarrisson' (i.e., with just one 's'). The published article has since been updated to correct the name, and the corrected name may be seen in this erratum.
